North Pioneer Major—A decision difficult to make. We are selling this bull and retaining a third interest in order to use the semen we have collected. With about 40 calves on the ground, another crop to come and 60 vials of semen, we will offer "the Pounds Bull", a top son of the great Bapton Pioneer. He is sound and sure, and we will sell 3 sons and 1 daughter in the sale to give at least an idea of this siring ability. A young bull, and the buyer will get possession and disposal or salvage.
